## WHAT'S WATT WITH REA'ERS

"Cupid's Corner" is in a "slump" this week - no weddings - or nothin' - not even any RFA Juniors to announce - so here's a few notes and stuff . . . .

To Abilene, Texas, Iran Fite - he will be glad to hear from us - be sure and send him a copy of SPAN - thats a 'plug' son! . . . Joe Farmer, back from Mississippi with a "tronical sun-tan". His wife would not allow him to drive up to a junk pile in Tennessee on the return trip and all of us who know Joe will realize what a disappointment that must have been . . .

Irene Oelke and Harriet Magargee, a former employee of RFA, spent the week-end in Atlantic City. . Jerry Vaughan was honored at a shower a week ago Monday - hostesses - Reba Eberts and Dorothy Wagner . . . Our little ex-WAC, Lillian Steinberg, is sailing overseas again - this time to Tokyo for the War Department - she really gets around! Its a boy for Jimmy Toulouse - Congrats Sir! Hugh O'Hara, A & L Fieldman, in for a two-day visit and a little business. . Still "on call" for Tokyo is Don Schwab who will be an Administrative Specialist - SCAF - under the State and War Departments - Ruthie may go along . . . G. P. Easley, formerly assigned to Reg. I, is now assigned to work in Oklahoma City . .

M.P. Jackson working in Baton Rouge . Freda Rittenhouse, Secretary to Reggie Cole, motored to her home town in Illinois with Bill Calhoun and family who were vacationing in the same state. Connie Hull is giving her "all" to the girl's softball team - and sprained her favorite ankle - better now tho she says. . W. Stanton of Recording Unit just returned from honeymooning in Atlantic City - Who's the lucky gal Stan?

A much happier man is John Watson, Reg. I, these days - John's wife and kiddie joined him from St. Louis . . . Dick Quell's wife left for a vacation in sunny California . . . Willie "Sparshot" Jueitt recently returned from Kentucky after a visit with his family and is still raving about those beautiful "Southern Belles" . . Reg. IV, Finance reports "wolves" - but who doesn't have them these days?

### MEN ALL STARS (Contd)

short stop to 2nd - to 1st - to 3rd, the last man being tagged out as he slid past 3rd base. The Trainees suffering under a slight handicap due to lack of regular players, made a gallant attempt at victory and nearly succeeded back of the steady pitching of John Asher.

REA ALL STARS 020 311 02 - 9  
ENGINEER TRAINEES 301 020 10 - 7

The Stars next game is scheduled for 2 p.m., Saturday, June 29th - Diamond #23, 24th and Constitution when they play one of the local college fraternities.

### GIRL ALL-STARS WIN AGAIN 9-0

REA's Girl All-Star Softball team 'backed in' to their second victory in two starts this year when they won from Veterans last Tuesday night, 9-0, by forfeit. The Vets could muster only five girls which the Umpire ruled could not take the field and he gave REA the game under forfeit.

This makes two out of two for our girls now, having won also by forfeit from the AGO several weeks ago. About 15 girls turned out for the game Tuesday night and they would have been tough for anybody if their snappy practice session was any indication. They were a very much improved outfit since their first appearance two weeks ago. Coach Mack Linn, and old-timer in this softball game, has really given the girls some fine points about the game and has them all hustling like veterans.

### FRANCIS PAGE STARS

Outstanding player of the evening was easily little Francis Page of Finance who caught back of the plate in big league style. Though it was her first game this year she seemed very much at ease back of the plate handling a top-notch pitcher who showed little mercy. In addition to playing faultless ball at home plate, Francis got two solid hits that indicates she is mighty potent with that bat as well.

Dorothy Watkins, well known Washington softball pitcher who has played in several Women's World Series events, was on the mound for REA and gave up only a few scattered hits. It looks like old Mack has really found himself a winning combination with Watkins and Page. The girls play again next Tuesday at Diamond #5 - lets see a good turn-out next week. Manager Joel Babb and our Sports Editor heartily recommend it for an evening of fun and excitement.

### MEN ALL STARS EDGE OUT TRAINEES

The REA Men All-Stars sparked to another victory Saturday afternoon in a practice session with our Engineer Trainees, winning 9-7 in an extra inning. Ludlow of the All Stars got the only circuit clout of the day when he drove a long fly deep into left field scoring three runs. An exciting highlight of the game came in the 6th inning when the All-Stars pulled what would have been a beautiful triple play had not two outs previously been racked up in that inning - the play going from
